Recording of Sea-time of Greek Offices on Gibraltar Registered Ship

For some time there has been ongoing discussion with the Greek Maritime Administration concerning the recording of sea-time for Greek Offices or Officers holding Greek Certificates of Competency on Gibraltar registered ships.

Following representation by Gibraltar and the UK Governments the Greek Maritime Administration have agreed that sea-time served by Greek Officers or Officers holding Greek Certificates of Competency will be valid for the sea-time necessary for the re-validation of these certificates.

Owners and Operators who have Officers who fall into this category are requested to note this information and to inform this office if there are any difficulties in this area.
