EU Sanctions Information

The Administration has recently experienced various enquiries in respect of potential EU sanctions applicable in certain countries, which may affect possible charters.

As an initial point of reference, the following link to an EU sanctions map provides some information in relation to such sanctions:

www.sanctionsmap.eu

By clicking on the appropriate country on the world map displayed, a pop-up box appears. By then clicking on 'info' on the bottom right of the box, additional information specific to the country appears on a new page. Symbols on the new page relating to sanctions appear on the left-hand side, which when clicked will provide details of EU sanctions.
