**CARRIAGE OF NAUTICAL PUBLICATIONS**

The Gibraltar Maritime Administration fully recognises the United Kingdom Hydrographic Office (UKHO) digital tide computation programme - **Total Tide** and the digital publication - **Admiralty Digital List of Lights and Admiralty Digital Radio Signals (Volume 6)** as satisfying the requirements of Gibraltar Merchant Shipping legislation with regard to the carriage of nautical publications and Chapter V of the International Convention for the Safety of life at Sea (SOLAS) 1974, as amended, in the same regard.

This recognition is contingent on the ship having appropriate back up arrangements and on the digital nautical publications being updated as required by Regulation 27 of Chapter V of SOLAS using UKHO's Compact Disc media or remote updating services.

Up dates to the digital nautical publication required by are to be provided out by approved organisations. A list of approved organisations is posted on the GMA web site, see below.
